

## **Shipper Receiver**

Do you have over 5 years of consecutive practical experience as a forklift operator? Are you a “jack or jill of all trades” that understands loading, unloading, picking, put away, re-load, completing paperwork, updating orders that can also be face to face with customers? If you are as excited as I am about this great opportunity, please read on....

Our client is a national distributor of very specialized industrial products and equipment for the oil & gas, petroleum and even HVAC industry. They have asked Sean Baker of MacDonald Search Group to assist with the recruitment of a rock-star quality shipper/receiver!

To be considered for this role, you **must** have an exceptional record of loyal experience, a great personality and enjoy working as a team player. In particular you must meet the following requirements:

### ***Qualifications:***

- Over 5 years of material handling in a variety of positions.
- Decent ability with Microsoft Office to complete reports
- Valid Driver's licence with a clean Driver's abstract.
- Strong analytical and critical thinking.
- Ability to lift up to 50 Lbs. without the use of a forklift and perform other physical duties
- Strong communication and a fantastic attitude to be on the winning team.
- **THIS IS A PERMANENT OPPORTUNITY TO WORK DAY SHIFTS!!!!!!**

Do you have what it takes to be successful in this role? If so, please apply. To apply directly please email your resume to: [sean@macdonaldsearchgroup.com](mailto:sean@macdonaldsearchgroup.com) and ensure your subject line reads exactly as follows: Shipper / Receiver
