

🌟 Join Our Team as an Inventory Control Specialist! 🌟

Are you an organized, detail-oriented individual with a knack for keeping things in order? Do you thrive in a dynamic environment where every day brings a new challenge? If so, we have the perfect opportunity for you!

📍 **Location:** Wetaskiwin, AB

🔍 **Position:** Inventory Control Specialist

About the Role:

As an Inventory Control Specialist, you'll be the heartbeat of our Logistics and Materials team, ensuring our inventory runs like a well-oiled machine. You'll work closely with production, engineering, finance, and sales teams to keep everything on track and maintain high service levels for manufacturing and parts sales.

What You'll Do:

- **Be the Champion of Inventory:** Manage our Warehouse Management System (WMS) and ensure seamless coordination between warehouse, production, procurement, and logistics teams.
- **Drive Improvement:** Identify and implement continuous improvement initiatives to enhance inventory accuracy and service levels.
- **Lead the Charge:** Oversee inventory control processes, including cycle counts, inventory variances, and root cause analysis of discrepancies.
- **Keep Things Safe and Sound:** Maintain a safe work environment, enforce health and safety policies, and ensure equipment and materials are in top shape.
- **Communicate and Collaborate:** Foster strong relationships with internal teams and provide feedback to improve operational accuracy.

What We're Looking For:

- **Education & Training:** Post-secondary education in Business, Supply Chain Management, Operations, or a related field. ASCM (formerly APICS) certification or equivalent is a plus.
- **Experience:** 3-5 years of experience in manufacturing or operations management.
- **Technical Know-How:** Proficiency in Microsoft Office and ERP software. Knowledge of raw materials, production processes, and quality control is essential.

- **Skills:** Strong problem-solving abilities, critical thinking, attention to detail, and excellent time management. A positive team attitude and strong work ethic are key!

Why Join Us?

- **Great Team Environment:** Be part of a supportive and collaborative team.
- **Career Growth:** Opportunities for professional development and advancement.
- **Work-Life Balance:** Minimal travel required, and the flexibility to work independently or as part of a team.

Working Conditions:

- **Minimal Travel:** Mostly based at our Wetaskiwin plant.
- **Hours:** Ability to work outside normal business hours when needed.
- **Physical Requirements:** Must be able to sit for extended periods.
