We’re BC Hydro and we have a big job to do.

Keeping the lights on for over 4 million people across the province takes a lot of talented people doing many different jobs. From working deep in a generating station, atop a power pole, or behind a desk, whatever it is that makes you tick we offer challenging careers to help you reach your potential.

We’re investing more than $2 billion per year in major capital infrastructure projects to help meet the growing demand for safe, reliable power. We’re upgrading transmission lines, building new substations, and investing in our hydroelectric generation facilities.

We aim to provide meaningful and challenging work, opportunities for growth and a healthy work/life balance. We’ve been recognized for excellence and been named one of B.C.’s Top Employers and one of Canada’s Best Diversity Employers.

It’s our vision to be the most trusted, innovative utility company in North America by being smart about power in all we do.
