

Job Opportunity

The Organization: Fraser Health

Fraser Health ("FH") is the largest of five regional health authorities in BC, working together with the Ministry of Health. FH is responsible for delivering hospital and community-based health services to more than 1.8 million people in 20 diverse communities from Burnaby to Fraser Canyon, on the traditional territories of the Coast Salish peoples. FH's communities include a diverse, multicultural population and approximately 62,000 Indigenous Peoples, associated with 32 First Nation communities and 5 Métis chartered communities. (2016 census).

The Opportunity: Executive Director, Contract Management

The Executive Director ("ED") provides senior leadership and direction for the development, administration and management of external contractual and strategic third party relationships across Fraser Health ("FH") to ensure FH receives the maximum benefit from services contracts. The ED oversees negotiation support, implementation, and performance management metrics of contracts to ensure that the contract deliverables are received, value for money is achieved and business risk is managed.

The ideal candidate will possess the following qualifications and experience:

- Master's Degree in Business Administration, Commerce, Finance or related discipline and/or a recognized professional accounting designation or equivalent and ten (10) years of senior financial and/or contract management experience in a large, complex business environment.
- Demonstrated knowledge of accounting practices, trends, generally accepted accounting principles (GAAP), financial, administrative and contract management, audit and program evaluation principles and practices.
- Demonstrated ability to lead, plan, direct, manage and implement change.
- Demonstrated knowledge of health and business administration including strategic and operational planning, monitoring, analytical, evaluation and reporting expertise in a public sector and/or large complex environment.
- Demonstrated ability to direct a variety of cyclical operational, budgeting and financial planning processes.
- Demonstrated ability to work independently and as a member of a team.
