The Manitoba government recognizes the importance of building an exemplary public service reflective of the citizens it serves, where diverse abilities, backgrounds, cultures, identities, languages and perspectives drives a high standard of service and innovation. The Manitoba government supports equitable employment practices and promotes representation of designated groups (women, Indigenous people, persons with disabilities, visible minorities).

Employment Equity is a factor in selection for this competition. Consideration will be given to women, Indigenous people, visible minorities and persons with disabilities.

An eligibility list may be created for similar positions and will remain in effect for 12 months.

Candidates who do not meet all essential criteria may be considered on an underfill basis at a commensurate rate of pay.

Introduction

This advertisement includes multiple positions in the organization

Procurement Modernization Initiative

This initiative aligns with the Manitoba Public Service Transformation Strategy and is a pan-governmental, multi-year/multi-phase procurement modernization project to achieve cost savings and create greater value for Manitoba taxpayers through public procurement.

The project includes:

- Centralizing procurement services to ensure government contracting is more coordinated, strategic and sustainable
- Adopting a category management approach to procurement to help the province become a smart shopper
- Improving planning and using Manitoba's purchasing power to achieve economies of scale

Modernizing procurement will enable the government to become a 'smart shopper' by bundling contracts to reduce costs. It is expected that Manitoba will see real cost savings while maintaining the quality of services Manitobans expect and deserve.
