

Irving Shipbuilding Inc.

SENIOR PROCUREMENT SPECIALIST

Located at 3099 Barrington Street in Halifax, Nova Scotia, Canada and 35 Micmac Boulevard, Dartmouth, Nova Scotia, Canada, B3A 4Y8, Irving Shipbuilding has a proud history as Canada's shipbuilder. A proud member of the J.D. Irving, Limited group of companies, we have been building quality vessels and fabricated modules for more than 50 years, and our Halifax Shipyard has been at the forefront of Canadian shipbuilding for 130 years.

Since 2012, we have invested more than \$400 million in facilities, people, processes, and technology, making Halifax Shipyard one of the most modern and capable shipyards in North America. Over the next 30 years our shipbuilders will construct 20+ modern patrol ships and surface combatants for the Royal Canadian Navy as part of Canada's National Shipbuilding Strategy, the largest defence procurement in Canadian history. This year, we delivered the lead Arctic and Offshore Patrol Ship, the largest Navy ship built in Canada in 50 years and we're just getting started. The second ship will be delivered in 2021.

We're growing our team with career-defining opportunities that will revitalize Canada's shipbuilding industry and provide Canada's sailors with the ships they need to protect Canada's interests at home and abroad. Our workforce of over 2,000 will grow to more than 2,800 at peak construction of the Canadian Surface Combatants. We have built more than 80% of Canada's current combatant fleet and continue to perform maintenance and modernization work on the ships, including the Halifax-class frigates.

Effective Supply Chain capability takes skill, talent, resolve, and the ability to think on your feet and develop solutions to unexpected challenges. When you are a company as vast and differentiated as Irving Shipbuilding, solving fresh challenges becomes the name of the game - and we're seeking a Senior Procurement Specialist. Reporting to the Supply Chain Manager the Senior Procurement Specialist will apply industrial expertise, energy and strategic capabilities to deliver Best In Class performance fit for the 21st century.

This is a permanent, full-time role based in Halifax Regional Municipality, Nova Scotia. The primary language of work is English.
