

Location: GTA, ON

Position: Territory Sales Manager

File Number: 2519

Our client, a **premier provider of transportation services** across **North America**, is looking for a **Territory Sales Manager** to join their team. Home office based and responsible for the Ontario and Quebec markets with principal activity in the GTA, the **Territory Sales Manager** will focus on the **Truckload segment** of the business, both **hunting for new business** as well as **maintaining and developing** the **existing** customer base.

Reporting to the VP of Sales, the right person will have at **least 3 years asset based FTL sales experience** bringing solid sales and negotiation skills, strong written and verbal communications skills, and excellent planning, organizing and time management skills.

This opportunity comes with a **very competitive compensation package** including **base salary, commission, car allowance** and **company benefits**.
