PARCEL SERVICES

Director of Finance - Parcel Services

Metroland Parcel Services is an Ontario based Final Mile Parcel Delivery company that is helping businesses meet their rapidly growing ecommerce delivery needs . Working at MPS combines the benefits of a long established company with deep client relationships and a reputation for delivery excellence with the excitement of a start-up in an opportunity rich sector.

WHAT YOU WILL DO:

- Reporting to the CEO, Parcel Services, you will support the CEO of Parcel Services in daily strategic and operational business decision making
- You will be a key member of the Parcel Services senior leadership team, working with the Head of Parcel Services, Director of Sales and our Operations leadership, in growing a successful new business
- Complete financial modeling and analysis of business decisions and opportunities
- Review rate structure, pricing, and ongoing profitability of the business, including sales contracts and operating contracts
- Prepare the annual operating and capital budgets
- Prepare regular operating forecasts
- Prepare quarterly reports
- Ensure that all expenses are properly reflected in the financial statements
- Prepare and review monthly variance analysis
- Responsible for general oversight and primary sponsorship of the ERP (Enterprise Resource Planning) software
- Liaise with both internal and external legal counsel to work through and complete any required legal contracts
- Support merger & acquisition work and processes
- Interact and coordinate internally with those working in day-to-day accounting support functions (A/P, A/R, etc.)

WHAT YOU NEED TO BRING:

- Bachelor's degree in Commerce, Accounting or Finance
- Accounting designation (CPA) or equivalent

- Position requires at least 5 years management experience in financial planning & analysis
- Strong oral and written communication skills
- Demonstrated knowledge of professional accounting practices
- High level of integrity and confidentiality
- Detail oriented but able to see the bigger picture
- Strong analytical skills - having the ability to analyze financial and operational information
- Strong problem solving skills. Proven ability to make good decisions based on experience and judgment
- Familiarity with month-end, quarter-end and year-end processes and achieving tight deadlines
- Previous hands-on budget and forecast experience
- Ability to set priorities and coordinate several people and concurrent projects to their completion
- Possesses business acumen
- Build and maintain effective relationships, act with internal and external customers in mind
- Results oriented, committed to self-development
- Experience in finance software implementation an asset
