

Location: Brampton ON

Position: Warehouse Supervisor

File Number: 2585

Our client produces and distributes consumer products to over 50000 stores across North America and abroad. They have an immediate need for a Warehouse Supervisor to be based in Brampton ON.

The Warehouse Supervisor is responsible for approximately 20 team members. The position oversees the order fulfillment operation to ensure the accuracy of receiving, warehousing, order picking & packing, cycle counts and on time order departure in accordance with the highest possible level of productivity.

Requirements for this position include a minimum of two years warehouse supervisory experience within supply chain. Additionally the candidate must have REACH/WALKIE licensing and experience and be prepared to operate in a highly hands-on fashion which will include assisting with picking & packing orders, loading and unloading trucks as required. The position comes with a base compensation of 65K plus an excellent benefit program
