

Location: Mississauga ON

Position: Warehouse Supervisor

File Number: 2591

Our client is a leader in auto parts distribution throughout North America. They are currently looking for 2 Warehouse Supervisors in Mississauga. One Mon-Fri pm shift (3pm-11:30pm) and one Sun-Thu Midnight shift (11pm-730am).

The Warehouse Supervisor is an integral part of the operations leadership team and is responsible for supervising warehouse employees and assisting in the management of all activities of the warehouse. This includes attaining targets for put-away, picking, processing, and shipping of Inbound Raw Parts and/or Outbound Finished Goods.

Requirements for the role include 2 years supervisory experience in a warehouse environment, strong communication and leadership skills, experience with RFID and solid critical thinking skills.

This position comes with an excellent salary/benefit/bonus package (base 80+), and plenty of room for advancement.

Please apply via our website: www.reimer.ca and quote the File Number above.
