

Location: Mississauga ON

Position: Vice President Operations

File Number: 2600

Our client is a fast-growing supply chain business with supply chain, warehousing and freight brokerage operations located in Central Canada. This role is likely based in Mississauga, although could possibly be in Montreal.

They are looking for a Vice President to handle their Supply Chain and Operational groups as well as Customer Service.

Reporting to the President, your primary responsibilities will be to lead the company's growth, by driving financial performance.

You will come from a multi-client environment, with 10-15 years experience in operations, 3pl and WMS integration.

There is a very competitive base salary with excellent KPI bonus potential.

Please apply via our website: www.reimer.ca and quote the File Number above.
