

## Jr to Int. Procurement Analyst x2

**Location:** Remote (EST Time Zone, Ideally in Toronto)

**Length:** 7 Months (High Possibility of Extension)

**Must Have Skills:**

- 2-5 years procurement experience;
- Strong Excel
- Familiar with the full requisition to pay process;
- Strong analytical skills;
- Experience with Services (Infrastructure and IT is an asset)

**Describe the most exciting part of this role**

Overlook services and material categories for all Canadian locations. Large exposure to leadership and internal clients

**Describe the most challenging aspect of this role**

Consolidate the demands across regions.

**Please describe the team structure and dynamic:**

4 analysts in the team. It is an open and transparent environment, strong team work spirit, hard pressed for greater results but also a relaxing dynamic in the team.
