

EXPRESSION OF INTEREST: Supply Chain Canada - Instructors

Supply Chain Canada is seeking dedicated supply chain professionals who specialize in procurement, logistics, transportation, contract management, capital projects, and overall supply chain management to teach a variety of our education programs. This expression of interest is to further build our instructor roster nationally. Flexibility for online delivery during weekdays is required.

Key Responsibilities:

- Utilizing our learning management system (LMS) for effective communication and presentations.
- Upholding professional and ethical standards in interactions with students and peers.
- Engaging in direct instruction, using strategies to enhance student engagement and learning.
- Timely grading of assignments and submission of records.
- Addressing student queries professionally and timely.

Qualifications Include:

- A degree in business administration, commerce, or supply chain management is required.
- A minimum of ten (10) years of professional industry experience in areas such as supply chain, procurement, category management, operations management, contract management, construction management, logistics & transportation, health care, etc.
- Proficiency in training and facilitating adult learners online.
- Experience teaching with an active-learning-centered approach is desirable.
- Preference will be given to Supply Chain Management Professional (SCMP) graduates.
- Proficiency in MS Office Suite is considered an asset
- Proficiency in a learning management system (LMS) is considered an asset

How to Apply:

Please submit a resume and cover letter to be considered for this opportunity to: education@supplychaincanada.com

Only those selected for an interview will be contacted.

Thank you for your interest in joining Supply Chain Canada.
