

WINTER 2025 SCMP MODULES SCHEDULE

As of January 1, 2024, Supply Chain Canada will be offering alternating Mountain Time and Eastern Time zone offerings for Synchronous (Virtual Instructor-Led) Modules 2 through 8. If a module is offered in ET in the Spring, it will be offered in MT in the Fall, and vice-versa.

**If registration numbers permit, another synchronous module may be offered.*

SYNCHRONOUS LEARNING (Virtual Instructor-Led): You will have live, scheduled class time online with your instructor and classmates. You will have readings and assignments to complete outside of class time to help prepare you to participate in the discussion and you will be expected to remain up to date with the deadlines and due dates provided.

ASYNCHRONOUS LEARNING (Online Study): You will not have live, scheduled meetings online, but instead will participate in a virtual course space where you will share information, ideas, and learning experiences. You will be expected to remain up to date with the deadlines and due dates provided.
