

FALL 2025 SCMP WORKSHOPS SCHEDULE

Please note the time zone of each offering.

SYNCHRONOUS LEARNING (Virtual Instructor-Led): You will have live, scheduled class time online with your instructor and classmates. You will have readings and assignments to complete outside of class time to help prepare you to participate in the discussion and you will be expected to remain up to date with the deadlines and due dates provided.

ASYNCHRONOUS LEARNING (Online Study): You will not have live, scheduled meetings online, but instead will participate in a virtual course space where you will share information, ideas, and learning experiences. You will be expected to remain up to date with the deadlines and due dates provided.
