Looking for a career with purpose and passion?

Senior Project Manager

Ministry of SaskBuilds and Procurement

Non-Permanent Full-Time – Regina, SK, Canada.

Explore your future

The Ministry of SaskBuilds and Procurement is seeking a dynamic and motivated individual to join the Health Infrastructure branch in a two-year term position as a Senior Project Manager in the Design & Construction unit. The Design & Construction unit is responsible for the project management of health infrastructure projects including complex facilities that provide acute, long-term care and urgent care for the people of Saskatchewan.

In this role, we are seeking someone who:

- Is accountable, takes ownership of their work by contributing to organizational outcomes and demonstrates the corporate values in our Commitment to Excellence.
- Is innovative and seeks out ways for improvement by thinking creatively, identifying new ideas and taking responsible risks.
- Works collaboratively with others to understand, engage and have meaningful dialogue to achieve work outcomes.
- Is inclusive, identifies and is aware of personal bias, and readily seeks out and appreciates diverse perspectives.
- Is adaptable, continuously learns from experience and applies those learnings to new situations.
- Focuses on achieving public service excellence.

The technical knowledge and skills required are:

- A degree in architecture, engineering, or interior design, supplemented with relevant work experience. Alternatively, a technologist diploma, coupled with significant related experience in a similar role or industry will be considered;
- Registered or eligible for registration with professional designations through governing bodies such as Association of Professional Engineers and Geoscientists of Saskatchewan (APEGS), Saskatchewan Association of Architects (SAA), Interior Designers Association of Saskatchewan (IDAS) or related associations.
- Project Management Professional (PMP) or related designations will be considered an asset.
