

# Come Live Our Values

## Procurement Specialist

Saskatoon, SK

### Position and Responsibilities

- We offer:**
- competitive pay
  - superior benefits
  - employee share ownership plan for all employees
  - Live Better wellness program

*Cameco values diversity. In keeping with this principle and our employment equity goals, we particularly encourage qualified applicants from the designated equity groups to apply.*

*To explore this career opportunity, please visit [www.camecocareers.com](http://www.camecocareers.com). Deadline for applications is **September 14, 2021**. Please quote competition number **35545**.*

Cameco has a great opportunity available for an enthusiastic, motivated professional to be a part of a diverse procurement team responsible for supporting all of Cameco's Saskatchewan operations in a temporary one-year term.

In this role you will source a range of materials, equipment and services, conduct RFQ's/RFP's and interact closely with internal and external stakeholders. In your work, you will be contributing to value creation from procurement activities, acting as a service provider to our partners in Saskatchewan operations, as well as participating in continuous improvement of processes and procedures. At a granular level, your regular work will include sourcing best overall value to meet internal customer needs, generating and expediting purchase orders in an SAP environment, developing and executing contracts, managing vendor on-time delivery and facilitating expeditious resolution of blocked invoices to ensure efficiency in the procure-to-pay process.

At Cameco we understand the value of a diverse workforce and we embrace, encourage and support workplace inclusion and diversity. New ideas, perspectives, experiences, and expertise make Cameco stronger. Our vision is to create a culture where inclusion is the goal, and a diverse and representative workforce is our measure of success.

**This is a temporary position for approximately 12 - 18 months.**

### Education and Qualifications

Requirements of the position:

- A bachelor's degree in business, commerce, or in a related field
- Three or more years of experience in the supply chain management procurement field
- Equivalent combination of education and work experience considered
- Excellent analytical, organizational and communication skills

Assets:

- Previous SAP experience
- A Supply Chain Management Professional (SCMP) or another comparable designation

Applicants will be considered for a level within the job progression, which is appropriate to their qualifications.
