future

SaskBuilds and Procurement is seeking four (4) innovative, responsible, and results-oriented individual to join the Single Procurement Service team as a Procurement Business Partner. Two (2) positions are permanent full time, and two (2) positions are term.

This position will:

- Create, implement, and maintain new procurement models, policies, and processes designed to help provincial government organizations adopt best practices and improve their procurement performance in all phases of the acquisition life cycle;
- Research, identify, and manage all aspects of a complex competitive procurement process (RFP) including utilizing different systems or tools to complete strategic sourcing initiatives, retrieve data, identify technical and legal issues, perform financial and non-financial data analysis, and evaluate current and future trends;
- Consult with other provinces on specific needs and work with the rules and regulations of other jurisdictions on intra-provincial procurement opportunities; and
- Manage contracts to ensure that both suppliers and the clients are adhering to rules and regulations, maintaining confidentiality, and completing their obligations as stated in the written contract.

The successful candidate will have:

- Knowledge of procurement best practices, trade agreements, contract law, and contract negotiations;
- Strong communication, relationship-building, and customer service skills to work effectively in an evolving environment; and
- Excellent project management, problem solving, analytical, and organizational skills along with a strong attention to detail.

Typically, the knowledge and abilities required for this position would be obtained through a SCMP designation or a relevant undergraduate degree. Project management skills acquired through a project management designation (PMP or Prince2) are an asset. An equivalent combination of education and experience may be considered. Experience in complex, end-to-end procurements and working within the public sector environment is highly desirable.

Closing Date: July 28, 2021

Competition Number: INF002850
