

Specialist III, Contracts (41288)

Location: Saskatoon, SK

About Us

Cameco is one of the largest global providers of the uranium fuel needed to energize a clean-air world. Utilities around the world rely on our nuclear fuel products to generate safe, reliable, emissions-free nuclear power. Cameco's corporate office is based in Saskatoon. We have mining operations and projects in northern Saskatchewan, Kazakhstan, the United States and Australia. We are also a leading supplier of uranium refining, conversion, and fuel manufacturing services from our operations in Ontario.

The Role

Cameco is looking for a motivated, team-oriented professional who values integrity, safety and the environment and strives to incorporate those values into their everyday achievements. As a specialist contracts, you will plan and execute the RFX processes required in the execution of capital expenditure projects.

In this role, you will:

- Working closely with project management teams, you will lead the development and formation of contracts utilizing procurement best practices while ensuring contract development process and procedures are followed
- Collaborating with end users to determine sourcing and contracting strategies, developing and initiating requests for information, quotations, and proposals
- Evaluating proposals, completing award recommendations, contract conformance and execution in compliance with Cameco's policies, standards and codes
- Liaising with internal legal counsel

Required:

- Bachelor's degree in commerce, law or engineering
- A minimum of five to eight years of experience, specifically in supply chain management
- Experience in negotiating, developing, and executing contracts for a variety of goods and services in a capital project environment
- Excellent analytical, organizational and communication skills
- Equivalent combination of education and work experience considered
- Travel to Ontario and northern mine sites may be required

Recommended:

- A Supply Chain Management Professional (SCMP) or another comparable designation
- Previous experience with SAP or similar ERP system

Cameco is proud to offer a competitive total reward package which includes:

- Competitive compensation program with base and variable pay
- Flexible health, drug, dental, and vision plan with a health spending and personal spending account
- Fixed benefits including employee and dependant life, AD&D, disability benefits and paid vacation leave
- Employee & Family Assistance Programs
- RRSP and RPP matching program
- Career development opportunities
- Relocation costs

Cameco is an employment equity employer and aims to achieve gender parity, and as such, preference will be given to qualified members of equity groups. We are strengthened by the diverse backgrounds of experiences and encourage applicants with various levels of expertise to apply, as equivalent combination of education and work experience are considered.

You will have the opportunity to work remote in this position. However, there will be the need for intermittent meetings in the Saskatoon office and travel to our sites. The details of this flex work arrangement will be discussed with you in the recruitment process.

This position is eligible for the employee referral bonus.
